V. Additional Information You Deem Important to this Application

VI. Please attach a one-page typed or handwritten essay (approximately 250 words) describing what this prestigious wrestling award would mean to you and why you are qualified for consideration by TSWWF. You should emphasize not only your wrestling history but also your academic and citizenship accomplishments. You may wish to include your understanding of the character-building aspects of wrestling and how the sport contributed to Tyrone's becoming a 20-year veteran US Navy SEAL, who willingly made the most noble sacrifice for his country.

(Photos and a video may also be submitted or a URL provided. If needed, extra pages may be attached to complete any part of this application. If you receive further honors and awards after submitting your application, an addendum may be submitted that can be attached to your original ap.)
